A one day workshop for all creatives

Designed to unlock your creative potential and guide you to produce work you really love, this workshop is the first and next step on your creative journey.

If you have never drawn a thing in your life, this workshop is for you. If you have tried and are not satisfied with what you produce, this workshop is for you. If you are a practising artist in any field in any medium, this workshop is for you.

We will be working with charcoal and pencils on paper. The day will be spent guiding your own mark-making, helping you notice what you love and how to develop your work.

COST INCLUDES

- All materials
- Morning and afternoon tea
- BYO lunch

Places are strictly limited to 10.

Once you have paid, you will receive the course schedule for the day. Once the course is full, there will be a wait list so if you miss out or cannot make the day, Adele will plan for another course to run in the future.
